Public Records Request - 2018-11-07 19:27:50

Name: Tim Bond

Firm:

Address:

City State Zip:

Phone:

Email: cookieguru@gmail.com

Preferred Contact Method: email

Request Message: In PD18-432 I received data like this:

4211091569 Angle Lake
150994945 Everett

The number was some sort of identifier for ORCA readers along with their corresponding station. This request is seeking two items:

1. What that number is
2. The complete list of those numbers with their associated station or location names

For example, I would expect 4211091568 "Capitol Hill Station" among the results.

If there is additional metadata related to those numbers, I would like that included as well.
